

Virtual Tour

We have a number of pictures which allow you to have a gentle stroll around some of the the rooms in the Hospice

Some people don't want to come to the Hospice but soon change their mind when they've had a look round and met the staff.

Many patients have relatives who live abroad and may never get the opportunity to visit Willowbrook to see what a beautiful place it really is.

Now you can have a look round the Hospice without even leaving the comfort of your armchair. Go on stroll to the beginning of the tour by clicking [here](#)
