

Advertising and Sponsorship

Opportunities for Advertising and Sponsorship. Be proud to sponsor Willowbrook Hospice!

Sponsorship

We organise a variety of events, catering for all tastes and budgets. Your sponsorship would mean so much to the Hospice, helping us to maximise our fundraising; at the same time generating positive brand awareness for both you and Willowbrook and reaching a variety of key audiences.

Sponsorship opportunities are available for all of our events, at all levels of involvement. We will ensure that we deliver maximum benefits to you in recognition of your support on marketing literature, newsletters, press releases, and on our web site.

Sponsorship in Our Publications

Our newsletter is circulated to over 20000 people, so sponsorship reaches a wide target audience.

A regular best seller, our calendar is widely bought locally, and even sent all over the world. Sponsorship in our calendar ensures that your name is right in front of your audience for at least one whole month.

Your sponsorship could be acknowledged in one of our event programmes, targeting the most appropriate market for your business.

For more details and a friendly chat call Nichola Saunders on 01744 453798, or email nicky@willowbrookhospice.org.uk.

We would love to have you on board!
