*What you leave behind is not what is engraved in stone monuments,
but what is woven into the lives of others.*

We want to ensure that our patients and their families have the best possible care, and enjoy their life fully.

You can help us to continue to offer *Time for Caring* by remembering us in your will. It doesn't matter how large or small the amount is, we are just really grateful for your gift. Your Gift can help secure our future and ensure that we can continue to care for future generations.

Making a will is important; you will have peace of mind knowing that you have looked after your loved ones, remembered special friends, and honoured your favourite charities. Your legacy gift to Willowbrook will help other people live on.

Did you know that Gifts to Charities can help reduce Inheritance Tax?

From 6 April 2007, if the total value of your Estate exceeds £300,000, then you might have to pay Inheritance Tax at a rate of 40% on the amount over that sum.

You can reduce Inheritance Tax payable on your Estate through Gifts to Charities. One of the most straightforward ways is through leaving a gift to a charity like Willowbrook Hospice, but of course it's best to take advice from a solicitor.

Please contact us to find out more about leaving a Legacy Gift in your Will.

Charity of the Year supporters, Hattons Solicitors have kindly offered to make a donation to Willowbrook Hospice for every will that they make for our supporters. [Click here](#) for contact information
