

## **Ebay Driver**

We currently have five charity shops located in St Helens, Earlstown, Rainford, Thattoheath and Prescot. The shops regularly receive donated items to sell in the shops but on occasions we receive items which would command a higher price if they were available to a wider audience.

We hope to attract a volunteer(s) to upload the items onto our ebay website shop but need a volunteer to visit each of the shops on a regular basis during shop opening hours, to pick up any items which the shop managers keep back and deliver them to our fundraising office in St Helens These items could be anything from collectables, old toys, rare records, vintage clothes, handbags and shoes.

The person would have the chance to get to know each of our shop managers and volunteers at each of the shops when they visit. We would pay 40p a mile to our drivers.
